

East Antrim Battalion Receive Baton

On Tuesday 21 August 2012, a selection of boys from all sections of Raloo BB attended an East Antrim Battalion event in Carrickfergus to receive the Baton containing the Royal Message to the Boys Brigade from our Patron, Her Majesty the Queen. The Baton will now continue its tour around N. Ireland Battalions.

Boys and Leaders from Anchors, Juniors, Company and Senior Sections are pictured with the Baton along with Drew Buchanan (East Antrim Battalion President) and Jonathan Gracey (NI District Director).

Further photos can be found on the Raloo Web Site.
